Event Chronology:

Symbol

The Line has used a symbol from the start of a black circle with a red line through the middle. The symbol is sold on T-shirts and flags, through the group's website. It is largely present at anti-lockdown demonstrations.

According to its Facebook page, The Line Canada is a movement dedicated to ending oppression and tyranny. They state they advocate for basic human rights of all people and support all those who stand for their rights and resist all forms of tyranny and oppression.

Originally called the Free North Patriots and one of the original groups behind the anti-COVID-19 public health measures protests in Toronto, a group called The Line Canada continues to be active in the anti-mask/lockdown protest scene.

On Nov. 14, 2020, The Line was involved in organizing convoys to a protest taking place in St. Thomas, Ontario. On Nov. 7, 2020, they were involved in the convoys from London and Mississauga to join a large protest in Aylmer, Ontario.

According to a Toronto Star article from 24NOV202, The Line Canada created its website on April 30, 2020 to be a hub for multiple organizations across Canada that have been opposing the lockdown and restrictions that have been implemented to combat COVID-19.

National director of The Line Canada, [redacted], also listed "no mandatory vaccinations" as a goal in a July video interview.

In Toronto, the group was known for arranging self-described freedom demonstrations, which were mostly held in Yonge-Dundas Square on Saturdays, as well as at Queen's Park. Many carried white flags with the group's logo.

The protests had been attended by hundreds, despite the province's cap on outdoor gathering sizes at the time.

https://www.thestar.com/news/gta/2020/11/24/what-we-know-about-the-organization-behind-demonstrations-against-covid-19-restrictions.html

More recently, The Line Canada has be pushing for governments to drop all Covid-19 vaccine mandates and restrictions.

(open source: https://www.facebook.com/thelinecanada.ca)

They have also been supporters and promoters of the most recent "Freedom Convoy 2022" movement in Ottawa. [redacted] has been posting live video feeds from Ottawa as recently as 30JAN2022.

(open source: https://www.facebook.com/thelinecanada.ca)

[redacted] made a live video on his Facebook page on 01FEB0222, suggesting he is still in Ottawa taking part in the protest.

In a recent Twitter post, The Line was promoting a "Freedom Convoy to Toronto" to take place on 05FEB2022 at 12:00pm at Queen's Park.

It is evident The Line Canada is still heavily involved in various protests and demonstration across the province demanding an end to Covid-19 mandates and restrictions.
